Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The prior art of record taken alone and in combination does not disclose a resonant element comprising a first conductive portion disposed on the substrate on one side of the detecting electrode and a second conductive portion disposed on the substrate on the other side of the detecting electrode for inhibiting the deflection of said vibrating body in the Z-direction" as recited in claim 1 and as argued by applicant. These limitations are neither taught nor made obvious by the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jacques M Saint-Surin whose telephone number is (703) 308-3698. The examiner can normally be reached on Monday-Friday.
